

TOWN OF DALE

Memorial Tree Program

Tree Program

With the purchase of a memorial tree the donor has the option to include a 3" x 5" stainless steel plaque that will be installed at the base of the tree. The town will purchase and plant the tree and will maintain the tree for its lifetime.

The donor may express preference of location and species of the tree to be planted. However, the exact location and species of the tree will be determined by the Town Board depending on needs and site conditions.

Would you rather make a donation for a different use?

We would be happy to accept general donations to be used for park improvements or for specific projects or items. All donated monies will be kept in a special fund and will be used to improve and beautify the parks. If you are interested in making a donation to the Park Improvement Fund or would like more information, please contact us at (920) 779-4609.
